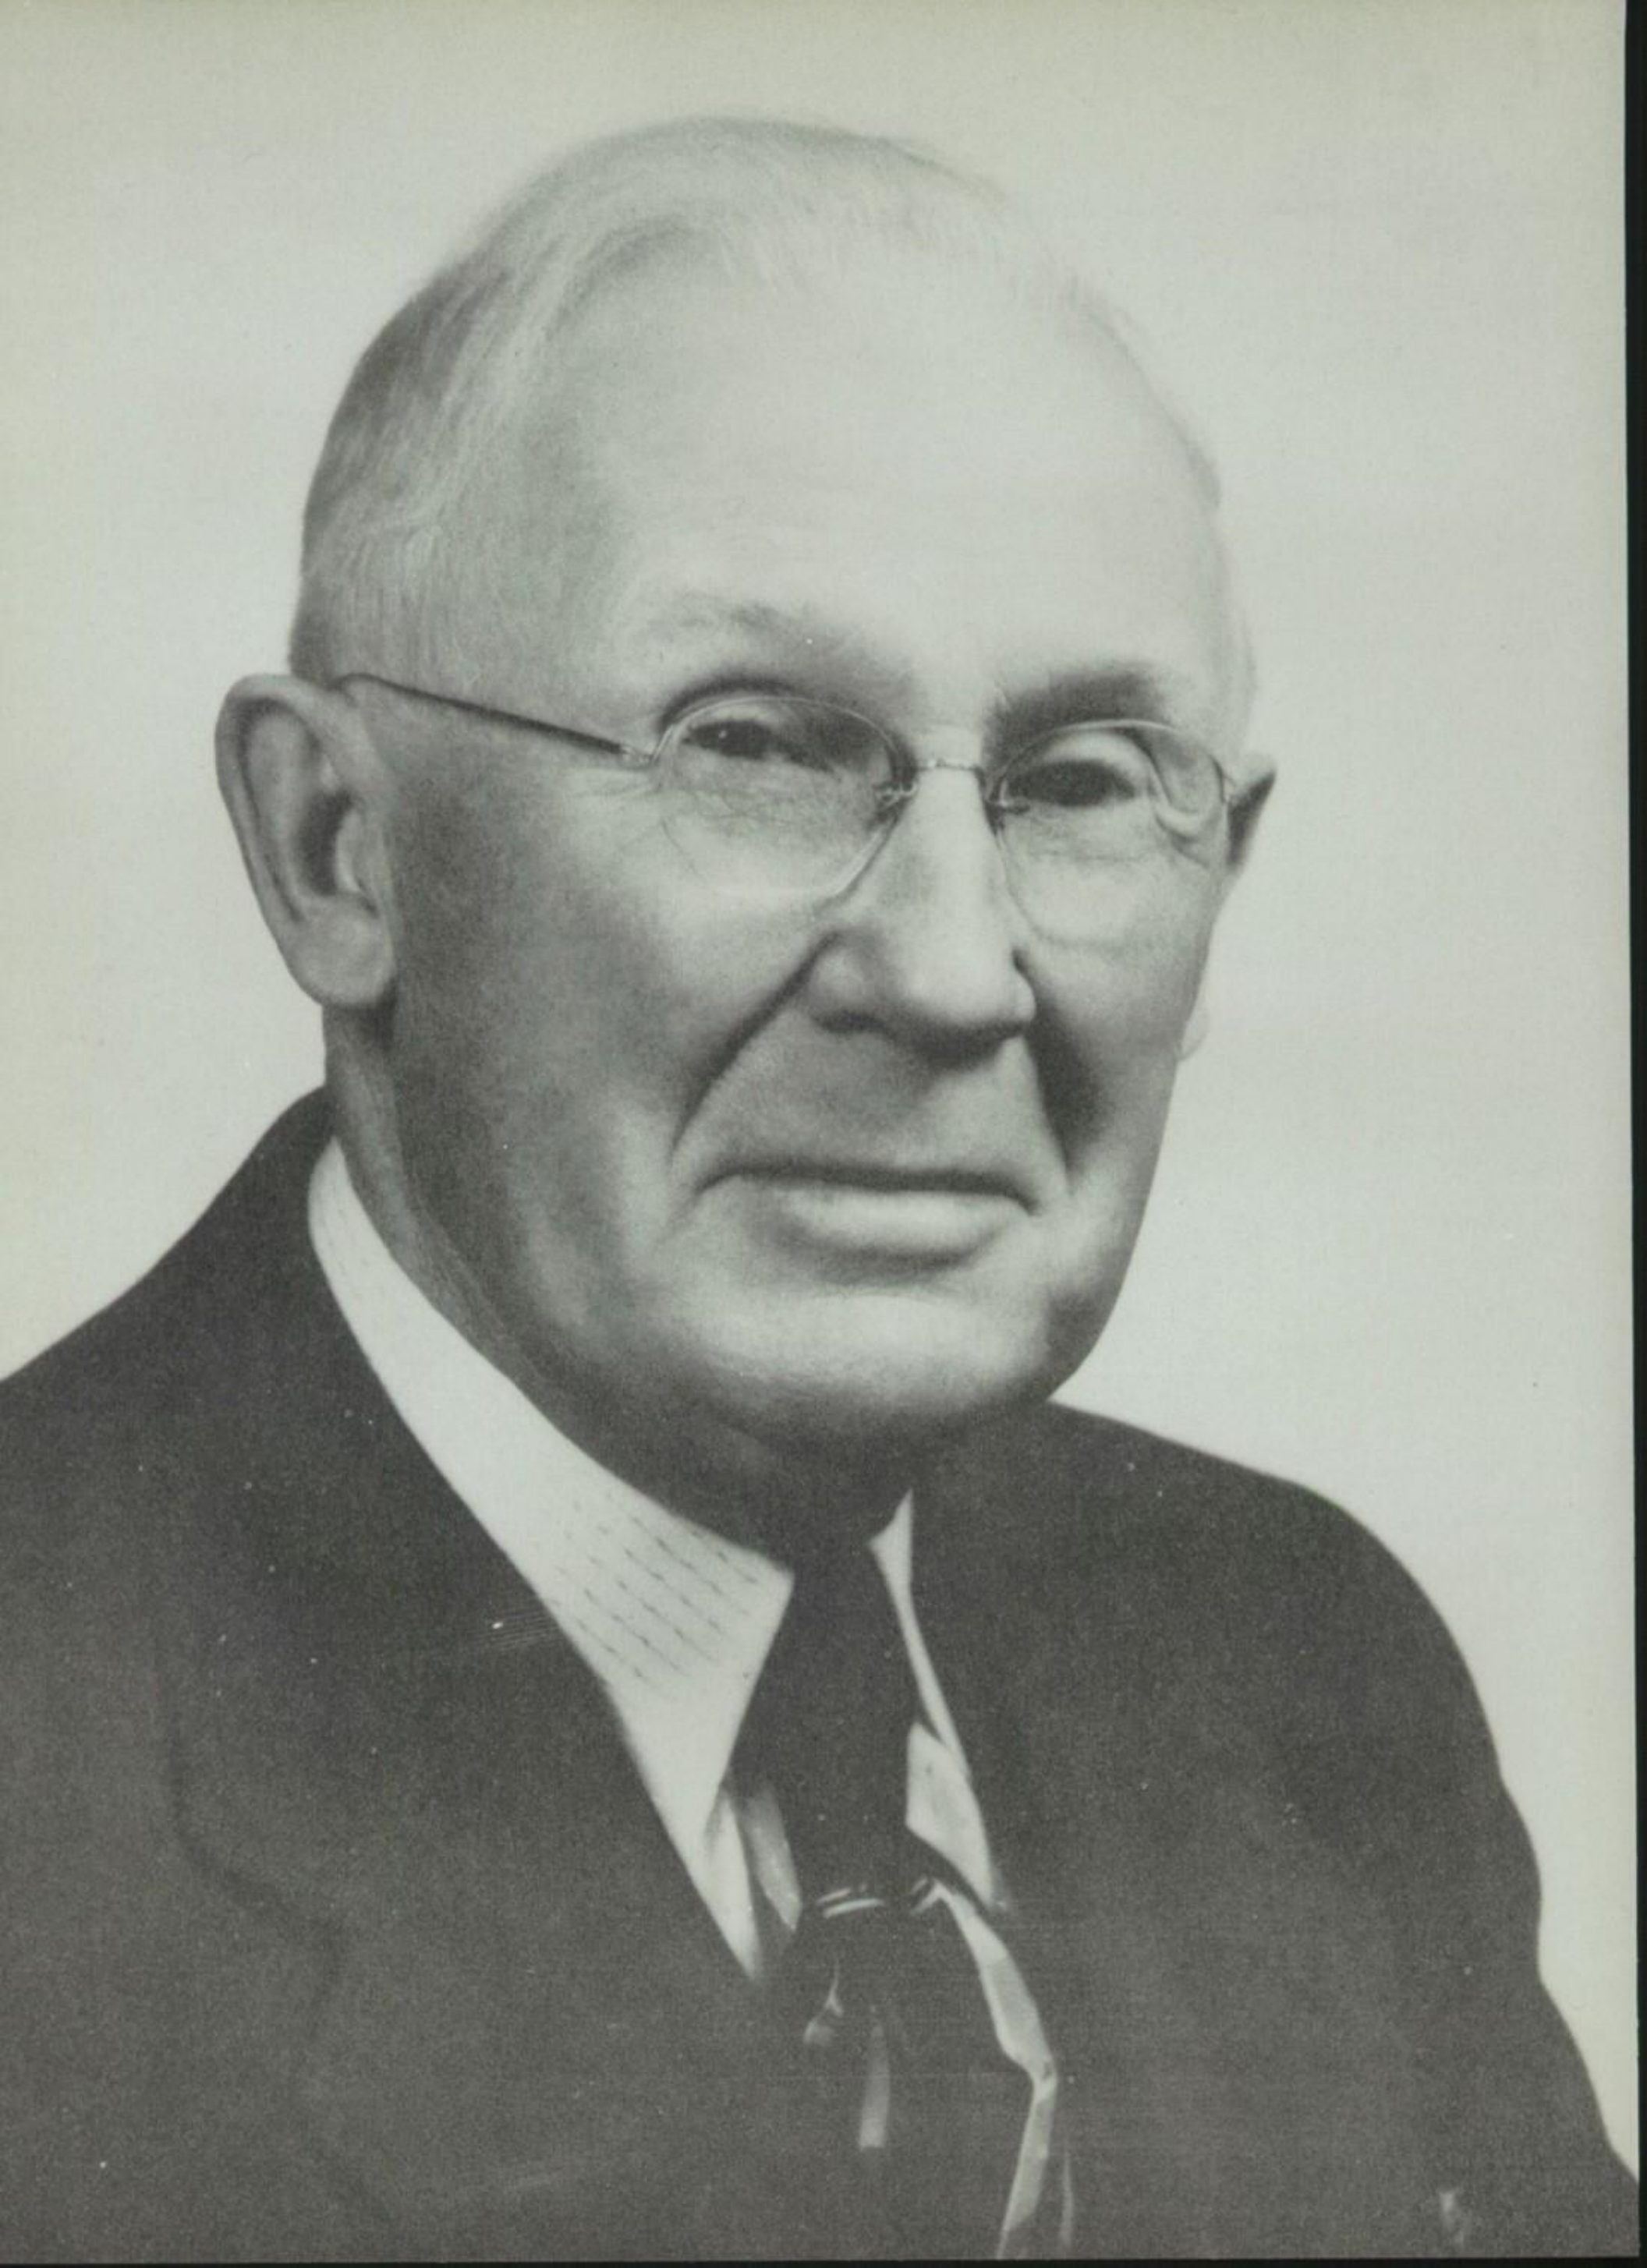
Belleville High School



Dedication

The students of Belleville High School dedicate this book to Mr. Jewett Amerman. He has served as president, secretary, treasurer and trustee of our school board over a period of forty years. His years of service number more than any other school board member in Michigan. Mr. Amerman has accomplished his duties with a generous spirit and fine impartiality. The deep and lasting interest which he has shown, serves as an inspiration to all who hold uppermost the best interest of our school.

JEWETT AMERMAN

Superintendent

Cleveland Roe A.B., A.M., M.Ed.

To the staff of "TIGER LORE" I extend the congratulations of the whole school for the production of a yearbook which so adequately reflects a cross section of the activities of our students. It has been my purpose to co-operate with this, as well as other worthy school projects, and to use the agencies at my disposal to facilitate the efforts of our students and school staff.

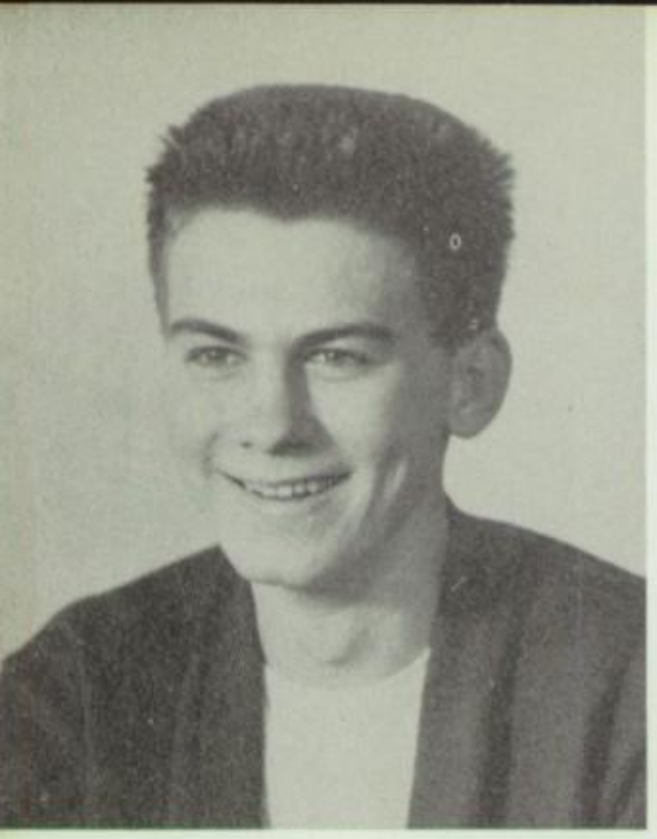
CLASS HISTORY

The year of years has ended and with it the events that the class of '50 will hold dear. Before we step out into the wonderful world, let's take a backward look to the beginning of our history. Well, really not the beginning but at least the most important part in our young lives.

We were first granted recognition by the sophomores who proceded to initiate us in the ways of high school life. The year was full of new experiences which with the help of our president, Ned Hovater, proved to be exciting and memorable.

Our sophomore year brought the delightful task of initiating the freshmen who were very lucky in escaping most of what we had endured. We then experienced the new responsibility of sponsoring our first dance, "Spring Swing" which proved to be successful. The rest of the year went smoothly under the guidance of our able president, Dale MacDonald. With our new class rings on our fingers we happily concluded the year.

Juniors at last. With Dale Davis presiding we began a year full of activities. First, cardinal and white were chosen as our class colors and after seeing our sweaters we knew we had made the right choice. In April our J-Hop came into view and with the theme of underwater gardens,



PETE KLAWSON, Vice-Pres.

1950

PAUL DYGERT, Treasurer

it painted a picture in our memories not to be forgotten. Make-up, last minute rehersal of lines, and hands shaking from stage fright was the scene as we went on stage for our class play, "Your Face Is Familiar." Our success proved we also had acting ability. The Junior-Senior banquet ended another memorable chapter in our history.

At first it was hard to believe that we had reached the year of years, but with the new responsibility of being the leaders in school, we began to realize that it finally had come. With our senior president, Eileen Gonczy, taking on her new duties and the camera snapping our long-awaited senior pictures, the year began. Our play, "Lean Rivers", was upon us before we knew it and with Mrs. Sarah Smith directing, it proved to be a success beyond all anticipation. The annual skip day and trip to Lansing followed and then the gay festivities of the last month. The Senior Prom, held at the Women's League in Ann Arbor lingers still in our memories. Then with the train whistle blowing, we began our trip to Washington, D.C. for six wonderful days. On returning, we fell into the fast moving days of Commencement.

Now it is finished, and after taking this backward glance we see how much we have grown through these last years. We have gained knowledge and friends which will influence the rest of our lives and will never be forgotten.

SENIOR CLASS PLAY

THE CLASS OF

BILL SHOWLER, President

CAROL SMITH, Vice-pres.

As we of the class of "51" look forward to our senior year, we can also look back on the past pleasures and successes.

We made our start on a high school career with Richard Waddell as our seventh grade president. James Morris succeeded to the presidency in the eighth grade. Our social events included a skating party, a picnic at Rouge Park, and a trip to Belle Isle.

Robert McQuaid was our freshman president. The sophomores gave us an initiation party and the year was ended by a trip to the Detroit Zoo.

Our sophomore year with president Mickey Rogalle started us on a new adventure. We gave our first dance, the "Hunter's Ball". Our beautiful class rings came in December. We attended a skating party at Susterka Lake. We closed the school year with a trip to Walled Lake.

Mrs. Baker and Mr. Hearn,
Sponsors.

FIFTY ONE

JOAN WEBSTER, Secretary

JIM MORRIS, Treasurer

Now, in our junior year, Bill Showler is president. We selected grey and wine as our colors; our motto, "Setting Sail on the Sea of Life". The class had a skating party in Ann Arbor and it was a big success. Our J-Hop which was held in October was one of the finest parties of the year. As this goes to press we have begun practice on our class play "Full of Youth", and we are determined that it will be up to our high standards. We have had social hours which have turned out well and have given us all a chance to become better acquainted. We are looking forward to our Junior-Senior banquet in the spring, and to the big senior year coming up. We hope it will be as happy as we expect it to be

SOPHOMORES

JANICE GRATOWSKI, President; BARBARA TROMBLEE, Vice-President; JOAN BUCHAU, Secretary; HAROLD SMITH, Treasurer.

Our first year in senior high has brought a preview of the many school activities in which we hope to participate. The fact that we are at last entering the final years of school, gives us the feeling of getting somewhere.

Remembering our active years in junior high we recall the rollicking roller skating party in the seventh grade; the Valentine party in the eighth; the rained-out hayride and the Be-Bop Ball in our Freshman year. Rugged and robust was the initiation we gave the Freshmen class this year. We found it more fun to initiate than to be initiated. Ordering and finally receiving our class rings was a great experience for most of us. Wearing the rings was even a greater thrill. We proved ourselves to be a social success by the gay party we held in the gym with the junior class as our guests. This and our past accomplishments prove that we have the strength and initiative to face our remaining years in school. With this confidence we anxiously wait to fill the vacant spot which will be left by the Juniors.

Mr. Conrad and Miss Morrison, sponsors

SOPHOMORE SHAMBOREE . . . The Sophomores were in keeping with the traditions of St. Patrick's day when they decorated the gym in green and white for their party at which the Juniors were their guests. Don Gonczy, as master of ceremonies directed various dancing games which provided the entertainment of the evening. Refreshments were served cafeteria style in the multi-purpose room.

SOCIAL HOUR

SEATED: Shirley Vandecar, President.

FRESHMEN CLASS

We Freshmen got off to a good start in High School last fall. Our leaders are: Shirley Vandecar, President; Barbara Hollar, Vice-President; Patricia Arnold, Secretary; Marlene Birk, Treasurer; Marilyn Gray and Robert Lipinski, Student Council Representatives. Our sponsors, Miss Smith and Mr. Kozma, have given us help and understanding that we greatly appreciate.

The annual initiation, given by the Sophomores, was a big success though a little rough. Other activities the first semester were a social hour in the gym and a roller skating party.

Second semester is promising to be a bigger success than the first. Our social hour was held in the evening under the supervision of Miss Harris, who directed modern and old time dancing. Another party is being planned to which the Sophomores will be invited.

We have a very large class, about 182, and we are very proud of all the school activities we participate in, such as sports, band, orchestra, and cheerleading.

You may expect big things from our class in the future.

ATHLETICS

Mr. Nugent, Mr. Hill, Mr. Daminskis

Our tiger athletic department is headed by Coach Tom Hill who is responsible for football, basketball, and track teams. He is ably assisted by Vitold Kaminskis, who also coaches baseball, and Mike Nugent, who coaches tennis.

Last year a very fine athletic field with powerful night lighting and large capacity bleachers was completed.

The day when Belleville will be a name to be reckoned with in competitive sports is not far off.

FOOTBALL

Belleville	0	Milan	20	Belleville	20	Trenton	6
	6	Red. Union	7		14	Plymouth	6
	0	Ypsilanti	41		7	Romulus	13
	0	Wayne	32		13	Dearborn	13

A review of the "Tigers" athletic prowess for the past year shows that they are clawing their way back to the top. Although the football team suffered several setbacks at the beginning of the season, the tide changed in time to save the Tigers from being labeled as an easy game. Our wide awake coaching staff found the trouble and then pulled the biggest upset game in the 6-B league. Switching from the single-wing to the T-formation, Belleville was able to upset Trenton 20-6 while being a 33 point underdog.

Our new coach, Mr. Hill, a graduate of Western Michigan College, showed outstanding ability in college athletics and played professional baseball for the Buffalo Bisons. He possesses a wonderful personality and is well liked by all the boys who work with him.

While the reserve basketball team was busy tying Plymouth for leadership of the league, the varsity was experiencing its worst season in many a year. The Tigers suffered double defeats at the hands of every league team. They managed to win only one game during the season, this game was against Airport High of Carleton. The Tigers are to be admired though as a team that refused to throw in the towel until the last whistle blew.

With twelve of the last year's varsity back for baseball and a great many newcomers to the track team as well as a good turn-out for tennis, things look brighter for the Tigers this spring. Everybody is working hard and all the teams are very serious about their workouts. Rest assured that the Tigers are not beaten and will be back on top soon.

GOOD LUCK TIGERS!

GIRLS' ATHLETICS

Girls sports at Belleville High School is represented by the Girls' Athletic Association. This organization is made up of all high school girls who can meet the scholastic and physical requirements and who desire additional competitive activities.

The club is sponsored by Mrs. Dillingham, who is our physical education teacher this year.

The girls' schedule includes volley-ball, basketball, field hockey, and softball. They participated in a play day at Ypsilanti with six other schools. They lost a hard fought volley ball game to the Redford Union girls and lost another close game to our own varsity club. The screams emitting from the gym every Wednesday evening are the girls as they near the end of their basketball tournament.

MUSIC

Our very fine music department takes part in nearly every school activity from assemblies to formal concerts.

Under the fine instruction of Mr. Coffelt the band won an excellent rating in the State band contest where they met the keenest of competition. The annual spring concert at Redford Union showed that even though we have less time to devote to our music department, our band, orchestra, and chorus stand among the highest.

Mr. Richard Coffelt

Mrs. Faris, the vocal instructor, produced many fine programs and discovered much student talent. The chorus made an excellent showing in their Christmas program which was broadcast by station HRV. Team work and co-operation have brought our music department through a very successful year.

TAKE IT EASY

Our school seemed due for an unscheduled vacation duringtthe coal shortage, but hopes went unrewarded when the supply proved adequate to last through the crisis.

Seated - Phillips, McMullan, Dygert, Gonczy, Carter.
Standing - Miss Mohler, Arnold, Savage, M. MacPherson, Hamilton, Mr. Struble, Amrhein, Hammond, D. MacPherson.

The smiling faces on this page would indicate that producing a year book is fun, and so it is. But the most fun is the sense of accomplishmen and expectancy as we send the book to the printers and anxiously await the result of all our weeks of work.

The year book staff sincerely hopes that we have done justice to all the people of our high school who's co-operation has made this book possible.
